President Falconer,

University of Toronto,

City,

Dear Sir,

I am enclosing slip with particulars of a little text edited by myself during the past year and published by the Oxford Press.

Enclosed you will please find my cheques for royalties just received, $13.86, which I should like to donate to the following funds, $10 to the Belgian Professor's fund and the balance to the Serbian fund.

I am only sorry that they are such small contributions,

Yours truly,

W. C. Ferguson.
